Dramey-baazi is a unique quiz on theatre and performing arts and it is open to the public, inviting participation from individuals, theatre groups, colleges, schools, corporates and anybody who has a keen interest in the performing arts.

The quiz will cover Indian performing arts including theatre, music, dance and puppetry and also include questions on World theatre and theatre arts. The format of the quiz focuses on making this a fun-filled interactive event that gives us the chance to explore unknown and lesser known facts. This will be a celebration of the people and the plays that created milestones in Indian and World theatre history.

Over the past six decades IPTA has presented plays, musical performances, street plays, drama competitions, children's plays and other theatre activities. This is yet another step taken by IPTA to increase awareness about theatre and culture using quizzing as a platform.

Dramey-baazi will be conducted by well known quiz master Avinash Mudaliar. The quiz will be conducted in Hindi & English.
